Instructor

Dylan Jensen

Introduction

1 Thrive in change with agile leadership

Agile leadership is essential for navigating today's rapidly changing environments with confidence and precision.

Build a Strong Foundation for Agile Leadership

2 Assess team readiness for change

Effective leadership begins with understanding where your team and organization stand.

3 Align outcomes for team success

Great leaders focus on outcomes that align speed with precision.

4 Turn resistance into buy-in

Turning resistance into buy-in is key to effective agile leadership.

Improve Agile Communication and Decision-Making

5 Focus on delivering value in agile teams

Delivering value isn't accidental—it requires a sharp focus on outcomes.

6 Communicate goals with clarity

Clear communication can turn confusion into clarity and hesitation into action.

7 Make better decisions under pressure

Decision-making under pressure is the hallmark of a strong leader.

Develop High-Impact Agile Teams

8 **Coach teams for problem-solving**
Empowering your team to solve problems independently is a game-changer for productivity.

9 **Build adaptable and agile teams**
Agile teams need to pivot without losing focus.

10 **Create a feedback-driven culture**
High-performing teams thrive on feedback.

Conclusion

11 **Lead with agility and vision**
Congratulations!
