Introduction

1 Leaders drive innovation
As a manager, you have a direct impact on the creative and innovative outputs from your team.

Fostering Team Innovation

2 Why innovation matters
Organizations require innovative thinkers because they help companies find new solutions, create efficiencies, and remain competitive.

3 Drivers of innovation
There are several things you can do as a leader that help to foster a culture of innovation and creativity within your team.

4 Innovation inhibitors
Because leaders play such an integral role in leaving room to innovate, it's important to be mindful of the things you can do that have a negative impact on innovation.

5 Opportunities to innovate
A key element of fostering innovation on your team is by empowering your team to run with ideas, generate new ones, or solve unique problems.

6 Keeping teams engaged
Over time, your team will grow and evolve, so it's important to instill a culture of innovation over the long-term.
