Introduction

1 Welcome to Press Releases

Press releases are an essential element of any public relations and marketing strategy. A press release can get your company, product or service publicity in print or online media, and even TV or radio.

2 What is a Press Release?

A Press Release is a one or two page document stating newsworthy information about a company, product, or high profile person which can be distributed through different media channels. It is used both as a public relations and a marketing tool.
